

SPEAK2 RANGE

Hybrid work has shifted the way we meet, so we set ourselves a challenge: to re-engineer the world-leading Speak Series for even better performance. **Get ready to Speak Up.**

CHALLENGE

80%

of all meetings are now either fully remote or hybrid.**

37%

of employees say they often feel left out of the conversation in hybrid meetings.**

42%

say they can't hear what's being said in hybrid meetings.**

SOLUTION

Technology, engineered for hybrid working

Meeting equity: Inclusion & natural conversations

Advanced audio technology

Microphone Quality Indicator shows you how well your voice is being picked up***

Flexibility with built-in USB A and USB C connectivity

Full Duplex allows both ends to speak and be heard at the same time

Voice Level Normalization equalizes all voices to the same volume level***

4 cutting-edge mics with exceptional noise cancellation

Super-wideband audio for richer sound***
